Summary

Detail-oriented Data Analyst with strong expertise in SQL, Excel, and Python. Proven ability to analyze complex datasets, build interactive visualizations, and draw business-relevant conclusions to drive actionable insights. Skilled in database management, statistical reporting, and abstract problem-solving.

Technical Skills

Core Data Skills: SQL, Excel, Python (Pandas, NumPy), Basic Statistics.
Reporting & Visualization: Streamlit, Matplotlib, Seaborn, Dashboard Creation, Technical Documentation.
Advanced Analytics: Scikit-learn, K-Means Clustering, Generative AI.
Data Visualization & Tools: Streamlit, Matplotlib, Seaborn, Google Colab, Excel.

Projects

- Cohort-AI** | Python, SQL, Streamlit, Excel [GitHub](#)
 - Analyzed complex behavioral datasets to draw business-relevant conclusions regarding optimal student grouping.
 - Engineered an interactive Streamlit dashboard for real-time data visualization and reporting, successfully managing 500+ records.
 - Created structured data ingestion pipelines and technical documentation to support seamless database management.
- ClaimGuard** | Automated Pipeline, Python, Data Visualization [GitHub](#)
 - Built an automated analysis and reporting pipeline to process raw CSV data, evaluating fraud probability for 100,000+ records.
 - Applied abstract problem-solving and model interpretability to perform root-cause analysis on risk factors like "Inconsistent History".
 - Designed data visualizations to clearly communicate complex technical issues and results to stakeholders
- DocGen AI Platform** | Gemini 2.5 Flash, JSON, Technical Documentation [GitHub](#)
 - Automated technical documentation and content synthesis, reducing drafting latency by 80% through optimized processing.
 - Managed complex JSON data structures to ensure deterministic reporting and semantic consistency across multiple outputs.

Certificates

- The Ultimate Job Ready Data Science Course** - CodeWithHarry (2026) [Certificate](#)
- Generative AI with IBM Watsonx** - IBM (2025) [Certificate](#)
- Applied Machine Learning in Python** - University of Michigan (2023) [Certificate](#)
- SQL (Basic)** - HackerRank (2024) [Certificate](#)

Education

Vellore Institute of Technology
Bachelor of Technology in Computer Science • CGPA: 7.81 / 10.0

Bhopal, Madhya Pradesh | 2026
